## ***DANCER OF THE MONTH***

LET'S DANCE honors our very first SaddleBrooke Dancer of the Month, ENID FOWLER.

Enid has just “gotta dance.” Dancing is just pure joy for her; it provides wonderful experiences and is her favorite form of exercise.

Enid was born in Yorkshire, England where she took dance lessons at age 5 in England and enjoyed English dancing and folk dancing in school there. She migrated to the U.S.A. as a teenager. She joined a folk dance group in San Diego where she met her husband Gene. They performed with two folk dance troupes throughout California. She also became very interested in Scottish Highland competitions and won numerous medals and trophies. Enid also taught Scottish Country Dancing for over 25 years in San Diego after receiving a Scottish Country Dance Teacher's Certificate at St. Andrews, Scotland and also taught Scottish dancing in Edmonton, Canada, New Mexico, Colorado, Hawaii and throughout California.

In SaddleBrooke Enid and Gene are members of several dance clubs, including the Let's Dance Club, SaddleBrooke Ballroom Dance Club, and the Latin Dance Club. When time allows they also do Round Dancing and some line dancing. Very importantly, Enid serves as DJ for both the Let's Dance Club and the SaddleBrooke Ballroom Dance Club. Enid and Gene are always willing to share any of their dance steps with all dancers.

The Let's Dance Club is proud to recognize her as the Dancer of the Month.
