MOUNTAINVIEW BALLROOM DANCE CLASS
FALL 2011 REGISTRATION FORM

If you enjoy watching Dancing With The Stars on TV and have thought that you would like to learn to dance or add to the dance steps that you already know, here's your opportunity. MountainView Ballroom Dance Classes in affiliation with the Saddlebrooke Ballroom Dance Club will be offered starting in October, 2011 by Bob Osborne, a SaddleBrooke resident. This is the 5th year that Bob has taught Ballroom Dance Classes at SaddleBrooke. Ballroom Dancing is an exercise for the mind and body that you can truly have fun doing. If you like music, chances are you'll like dancing. Here's a no-risk offer, enroll in the Beginner, Novice, Intermediate or Advanced level class of your choice. If after the first dance class you decide that you don't want to continue, your money will be refunded in full, no questions asked. It is not necessary to have a partner to enroll, dance partners for men and women will be assigned whenever possible. The classes are designed to help everyone have fun and feel comfortable on the dance floor at a SaddleBrooke Dance. Classes will be held in the MVCC Ballroom each Tuesday or Wednesday depending of the class chosen. The day and time for each dance level is indicated below. Each participant receives (7) 1 1/2 hour classes, a dance step instruction sheet of each dance taught and a ballroom dance music CD in the $52.50 p/p fee. As an option, a four week 1 1/2 hour dance class enrollment is offered to people who will travel or would otherwise be unable to attend the full 7 week dance class session. Please keep in mind that the 4 weeks must run consecutively and start at the beginning of a new dance. Bob will coordinate the 4 week class entry. Starting later doesn't mean that you will be behind the other participants as the entire class will be learning a new dance together. Each dance step taught will be repeated the following week to further assist you in the learning process. The cost for the 4 week session is $36.00 p/p. In addition, Bob will offer coached dance practice for Beginner and Novice class participants on Sunday's at 3:00 – 4:00 PM at MVCC Ballroom at no additional cost. If you may have any questions about the classes, email or call Bob at **bobmao@aol.com** or 520-343-3818.
