

Tom and Ann Kurtz are Dancers of the Month for January 2009

DANCERS OF THE MONTH

Tom and Ann have loved ballroom dancing for over 20 years, finding it an activity they could both enjoy together. While serving as school district administrators, dancing had to take a back seat. As a school district superintendent, Dr. Tom just could not find time to dance. Thank God for retirement. As they engrossed themselves in SaddleBrooke, dancing became their go to activity. Ann dances with a SaddleBrooke group of ladies that provide entertainment at local functions as well as in the Tucson area. Both Tom and Ann continue to try to improve their dancing with professional instructions and by attending various dance camps. Camps, you see, are not just for youngsters. As a couple they have entered and competed in several amateur dance contests. Dancing has provided them with fun and they focus on having fun when dancing.

Tom and Ann are avid supporters of the SaddleBrooke Dance Club and the Let's Dance Club. Tom is the current vice president of Let's Dance and Ann is the former vice president of the SaddleBrooke Dance Club.

Drop by one of the dances and you're sure to find them dancing. Say Hi, give them a hug—everyone needs a hug.
